

Industrial Visit At JJPV Solar Power Plant

Detail: JJPV Solar Power Plant, Near Hospital Chock, Rajkot.

Branch: Electrical

Semester: 4TH

No. of Participants: 22

Date: 22/03/2018

Faculty members accompanied: Prof. Riaz Israni and Mr.Sudhirbhai Joshi

Objective of the visit: Students to make understand about the concept of solar power, working and application of solar power plant.

Outcomes: Students learns about Construction and working of the solar based power plant. They also learnt about generation and utilization of solar based power plant. They also learnt about site selection of solar power plant and application of solar energy as a renewable energy source. They also learnt different specification and characteristics related to solar power plant.
