

## ISTE STUDENT CHAPTER

### Industrial Visit to UFOS Metal Treatment.

**Faculties accompanied: Mr. Vimal Parmar**

**Date:** 06/02/2019

**Branch:** Mechanical Engineering

**Semester:** 4<sup>th</sup> sem (Degree & Diploma)

**No. of students:** 26

#### **Summary of the Industrial Visit:**

Dated 6<sup>th</sup> February 2019; Department of Mechanical Engineering, School of Engineering & School of Diploma Studies collaboratively organized the industrial visit for its 4<sup>th</sup>-semester students at UFOS Metal treatment, Shapar Veraval, Rajkot. Students were able to understand important aspects of machining which included shot blasting, grinding, welding and smooth grinding. The heat-treated parts which are manufactured at various 3 furnaces were moved in the quenching unit for hardness improvement.
